I. Objectives:
(1) To help departmental students (masters and PhD students) to develop a basic skill of presenting a compelling oration on their thesis topic and its significance in just three minutes.
(2) To identify the ChBE Winner to compete for UA’s “Top 15 Spots”.

II. Eligibility for Competition:
All our graduate students are highly encouraged to participate, especially for who has joined the department more than one year and has certain research results.

III. Rules:
• A single static PowerPoint slide is permitted. No slide transitions, animations or 'movement' of any description are allowed. The slide is to be presented from the beginning of the oration. (Please see a sample ppt slide in the appendix)
• No additional electronic media (e.g. sound and video files) are permitted.
• No additional props (e.g. costumes, musical instruments, laboratory equipment) are permitted.
• Presentations are limited to 3 minutes maximum and competitors exceeding 3 minutes are disqualified.
• Presentations are to be spoken word (eg. no poems, raps or songs).
• Presentations are to commence from the stage.
• Presentations are considered to have commenced when a presenter starts their presentation through either movement or speech.
• The decision of the adjudicating panel is final.

IV. Judges:
Dr. Chris Brazel, Dr. Yuping Bao, and Dr. Heath Turner.
Note: The Judging Criteria is attached in the appendix.

VIII. Appendix

1. Judging Criteria:

**Comprehension & Content**
- Did the presentation provide an understanding of the background to the research question being addressed and its significance?
- Did the presentation clearly describe the key results of the research including conclusions and outcomes?
- Did the presentation follow a clear and logical sequence?
- Was the thesis topic, key results and research significance and outcomes communicated in language appropriate to a non-specialist audience?
- Did the speaker avoid scientific jargon, explain terminology and provide adequate background information to illustrate points?
- Did the presenter spend adequate time on each element of their presentation - or did they elaborate for too long on one aspect or was the presentation rushed?

**Engagement & Communication**
- Did the oration make the audience want to know more?
- Was the presenter careful not to trivialise or generalise their research?
- Did the presenter convey enthusiasm for their research?
- Did the presenter capture and maintain their audience's attention?
- Did the speaker have sufficient stage presence, eye contact and vocal range; maintain a steady pace, and have a confident stance?
- Did the PowerPoint slide enhance the presentation - was it clear, legible, and concise?
